The Signature Composite Door Collection

First impressions count. Your front door is the first feature people notice about your home. That is why it is so important. Your door makes a statement. It reflects your home's personality, your lifestyle and your aspirations.

This is why we introduced a high-quality, flush-fitting composite door that meets the exacting demands of today's discerning homeowner.

Designed with you in mind, our County Collection is one of the most comprehensive ranges of composite doors on the market.

Choose from seven standard attractive colours, including beautiful woodgrain finishes that look like traditional wooden doors, but don't require the maintenance associated with timber. Or if you prefer, bespoke shades can also be supplied on request.

Today's composite doors are the perfect stylish, secure and low-maintenance choice; combining superb aesthetics with unrivalled long-life performance.

With superior weather-tightness, secure locking systems and greater thermal efficiency, your home is fully protected with a modern composite door. How's that for peace of mind?

Whichever door you select, you can be assured that your door has been made to the highest quality standards. Whether your requirements are for a door with a large glass area to bring light in to your home, or a door with little or no glass to maintain the privacy in your home, you will find a design to suit in our extensive composite door range.

You and your home deserve the best. Install a County Collection door and you add long-term value, kerb appeal and security to your home – all at the turn of a key.

Signature

Why choose a Composite Door?

Low maintenance – No need to paint or varnish; simply wipe clean.

Security – Technologically-advanced locking systems meet all the requirements demanded from a 21st century entrance door to keep you and your home safe.

Robust – Composite doors are durable, with no twisting, warping or splitting as with timber doors.

Thermally-efficient – Good insulation properties keep out draughts and help to reduce your energy bills.

Composite Door Features

Durable and attractive, composite doors are made to last. They are the future for entrance doors.

All County Collection composite doors are manufactured to the highest standards at our dedicated production facilities using top-quality materials.

Our composite doors are produced using robust through-colour GRP door skins. Completely weatherproof, they have excellent resistance to knocks, scratches and whatever the weather throws at them. Unlike other doors, they don't twist, warp or split.

All door designs meet the latest energy efficiency regulations, achieving a U-value of 1.8W/m²K or below. Their thermally-efficient foam cores help to reduce energy bills and keep out noise.

Composite doors are low maintenance with no need to paint or varnish; an occasional wipe over with a damp cloth will keep your smart new front door looking as good as new.

High security comes as standard, meeting all the requirements demanded from a 21st century entrance door to keep you and your home safe.

Composite Door Features*

- 1 Slimline, low aluminium threshold with twin seals
- 2 Strong through-colour GRP facing
- 3 High insulation foam core
- 4 Stable timber inner frame
- 5 Adjustable hinges
- 6 Wool pile seals x 2
- 7 Aluminium reinforced
- 8 Q-Lon gasket seal
- 9 Dedicated 70mm reinforced PVC-U frame
- 10 Grained effect ABS edgeboard

Safe And Secure

Safety and security are uppermost in everyone's mind. 67% of burglars break in through the door, according to Home Office official crime statistics. That's why our County Collection composite doors use only the best quality multi-point locking systems to keep your home and family fully protected.

Our doors are installed within a reinforced door frame and secured with Paddock PL 147 multi-point locks with two hooks, two finger bolts and a deadbolt. Premium hinges and keeps meet the latest standards and legislation.

Feel reassured with a County Collection composite door, which is manufactured in accordance with Secured by Design, a Police-backed accreditation. Secured by Design is the official UK police approval for security products that ensures they are designed, manufactured and tested within strict rigid guidelines.

County Collection SBD-licensed doors are available as either solid or glazed versions, giving your home the ultimate protection from unwanted intrusion.

No more lost keys! For the ultimate in convenience, why not upgrade to keyless entry? Innovative technology means you can lock and unlock your front door with a handy remote control – just like your car.

We offer the Keyfree electronic lock – the very latest in door security from Yale. Combining peace of mind with convenience, you can access and protect your property without a key.

A small remote control keyfob with a 10-metre range unlocks your home – or enter your own personal code (4 to 12 digits) into the built-in keypad.

Keyfree has been designed and tested to meet Secured by Design and also features a built-in 80-decibal alarm to scare off anyone who tries to attack the lock.

Yale® Keyfree

We use high-quality and fully tested locking systems. With these products, you are assured of the best locks that money can buy.

(High security PAS 23/24 handles pictured.)

Glazing Options

Glass panels not only allow light into your home, they enhance and personalise your door according to your taste. A wide range of hand-crafted exclusive and stylish glazing designs are produced by our specialist team at our in-house glass facilities.

From traditional to contemporary styles, we can supply an eye-catching option that really creates a stunning focal point for your door. We can even supply totally bespoke designs to your own specification, from photographs or drawings for example.

From obscure patterns for privacy to stylish 'sandblasted' designs etched into the glass, you can be sure of finding the one to suit your individual needs and wishes. Intricate leaded styles complement traditional-looking doors or you add a splash of creative colour from our popular Fusion range.

Our double and triple-glazed units are manufactured to BSEN 1279 standards. Both have excellent heat retention properties. Additionally, the elegant triple-glazed units encapsulate the bevel design within the sealed unit for ease of cleaning.

There are countless glazing options for your composite door, including beautiful hand-assembled resin leadwork designs like the one opposite.

Choosing Your Door

Your door is as individual as you are. We manufacture every composite door to the customer's exact and bespoke requirements.

Personalise your door from our vast range of options that add a unique finishing touch. Starting with colour, there are seven standard finishes including a Light Wood and Dark Wood. Or choose from our range of 'heritage' shades, such as olive, cream or grey, which are ideal for older or rural homes.

Then decide on your door style from our comprehensive range – glazed or solid, it's up to you. Next, you need to choose what type and style of glazing panel you require. Within our myriad glass designs and styles, there are virtually limitless choices to suit your location and lifestyle.

For back doors, why not combine maximum light with maximum privacy with an integral blind option? Available in the Suffolk door style, an internal venetian blind is incorporated within the sealed glazed unit. The blind, which never needs cleaning, is opened and closed using an external lever.

Composite doors offer better access than many other alternative materials. We offer a choice of low aluminium thresholds in gold or silver with colour-matched weatherbars, plus a lower one designed for easier wheelchair access.

Finally, select your hardware from our attractive ranges of standard or perfectly-matching door furniture in gold, white, black, chrome, bright bronze and satin chrome.

Step 4

Step 5

Your Door

There are five easy steps to creating your perfect door:

- Step 1 - Decide on your door style. Twin glazed, single or solid, you can choose from our extensive ranges featured in the following pages.
- Step 2 - Choose a colour to suit your property or personal taste, there are seven great woodgrain colour to choose from. (Please note a few of our door styles have a reduced colour range)
- Step 3 - Choose a frame colour to suit your door, there are four options available - standard white, black, golden oak or rosewood. (Please note golden oak/rosewood are available with the same internal face finish, black frames have a white finish only)
- Step 4 - Select your glass. So many designs to select from, just refer to the pages relating to your door style for details.
- Step 5 - Finally no door is complete without the door furniture, we have a wide range of knockers, letterplates, handles and accessories to enhance your chosen door.

The Suffolk Range

One of our most popular designs, the Suffolk has a single large glass panel allows maximum light into your home. Ideal for darker hallways, it also looks great as a back door. Choose from clear, obscured or patterned glazing from a wide range of aesthetic designs to suit all tastes and situations.

The Gloucestershire Range

This traditional 'cottage-style' door is a favourite with homeowners, suitable for either front or back doors. The Gloucestershire's vertical 'boarded' appearance replicates the rustic 'tongue and groove' timber construction, which makes them ideal for restoration or replacement projects. Square or diamond-shaped glazed panels, with Fusion or bevelled glass options, can be added for additional light.

The Stable Range

Our Stable Door offers you the best of both worlds – a window and door in one. Opening the top door only keeps children and pets safe and secure, while allowing fresh air into your home. High security locks and an effective weather-seal ensure it performs just as well as a standard single door. The lower half also accepts cat and dog flaps.

High security locks are used throughout. The split upper and lower door leaves can be locked to frame independently offering maximum security.

The stable door features high security locks that engage into the outer frame and an interlock between the top and bottom leaf.

The Stable Door in Blue with Obscure Glass

Stable Door, Square

Available as a solid door or glazed with a square or diamond light, the Stable Door comes in a range of colours to suit all types of homes. It's also the ideal choice for country living and outdoor lifestyles.

Where wider access is required, you can double your options – literally – with the Twin Door. Available in six of our most popular styles, the Twin Door combines practicality with cutting-edge style and security. Great for porches, the Twin Door is also suitable for French Door applications to suit all types of homes.

Door Combinations

Suffolk Twin Panel with Simplicity Glass †

Essex Twin Side Panel with Royale Glass †

Our side panel combinations feature a mechanical coupler strip between the door frame and the side panel frame.

Complement your entrance door with matching side panels. Perfect for wider apertures, there are a number of possible combinations from our Suffolk and Essex ranges. Where space allows, side panels enhance darker interiors by increasing light levels and present a smart and co-ordinated appearance to the outside world.

The Door and a Half

The Backing Glass Options

Our Composite door range offers the option of choosing your preferred backing glass. The backing glass sits on the inside face of the double glazed cassettes.

N.b. This option isn't available for the triple glazed designs.

Our 'Door and a Half' is literally just that – a composite door plus matching hinged side panel. This can be opened up to allow wider access, for example when moving large items of furniture.
