Yale Encloser

Ensure unrivalled protection for your home with Yale Encloser high security casement window locks, incorporating innovative bi-directional locking cam technology.

The Yale Encloser's compression adjustable, anti-separation 'mushroom' cams work in pairs, locking into zinc alloy strikers. This delivers optimal weather proofing and security performance, safeguarding your home against the elements and intruders alike.

With the Yale Encloser, manufactured to the highest specifications and available in a range of sizes to fit every window in your home, providing your family with security and peace of mind has never been easier.

And because it's Yale, you're also protected by our 10 year security guarantee; yet another reason why Yale is the world's favourite lock.

THE KEY POINTS

As a market leader in home security in the United Kingdom, Yale have designed, developed and tested their Encloser window lock to deliver the highest levels of performance for security, ease of use and service life.

Wherever you have Yale products fitted in your home, you can be assured of an unequalled pedigree of quality and reliability.
